

THE AFGHAN MISSION WATCH

In December 2001, the International Security Assistance Force (ISAF), a NATO mission in Afghanistan, was established by the UN Security Council. Forty nations join Canada in the ISAF to provide security against terrorism while reconstructing political, economic, and social institutions of a new and democratic Afghanistan.

Since Canada's involvement began, thousands of Canadians have served in Afghanistan in military and provincial reconstruction roles. Tragically, some have paid the ultimate sacrifice.

The Toronto Military Family Resource Centre (TMFRC) is a non-profit charitable organization created to support the families of Canadian military personnel. MFRC's are located in Canada, the United States and Europe to render assistance and comfort to military families. MFRCs provide counselling, personal enrichment programmes, cultural activities and are an extended and welcoming arm of the community.

To reflect our pride in the accomplishments of those who currently serve and all who have served in Canada's Afghan mission and to provide tangible assistance to the work of the MFRCs, the Toronto Military Family Resource Centre has commissioned one of Canada's leading watch designers, Time is Ticking Inc., creator of the Victory Europe Watch, to create the Limited Edition Afghan Mission watch.

The watch is made with Seiko movements. 24-karat gold raised gold plating on face. The striking alligator-style leather strap is manufactured by the Speidel Corporation. Each watch is being offered for only \$65.00 (plus applicable taxes, shipping and handling) which is far below its actual value. The MFRC proceeds will be used for its vital work supporting families of Canadian service personnel.

Our soldiers are justifiably proud of their real accomplishments in nation building and their on-going commitment toward make Afghanistan safer for its people. Purchase an Afghan Mission watch. Now is the right time to show your support for the Canadian Forces and to thank them in a tangible way for their service to Canada and the world.

Watches will be shipped in a distinctly monogrammed velveteen collector's box. Orders must be received October 1st, 2009 for Christmas delivery. All sales are final.
